

Delaware Elite Opportunity Statement . Now is the time to help build the integrity, leadership skills, sports execution and academic achievement of youth ages 12-16. Our organization is geared to high level development of pre-adolescent elite student athletes in Delaware/New Castle County. The Delaware Elite programs will allow the participants to be recognized by their excellence in athletic abilities, game play, and overall character measured by their personal growth in academic achievement, athleticism and lifestyle.

We are committed to the development of the student athlete though education, leadership, character, and athletic development for the advancement of our youth.
